
call to skimmers

there seems to be very few skins out there made for rainlender 2, and i have a request of someone skilled... can anyone make a skin to match the superb windowblinds 5 skin 'pico tea' (<http://www.deviantart.com/deviation/43228398/>) or its cousin pico gray (<http://www.deviantart.com/deviation/43465886/>)?

and i'd like to add my thanks to the developer for having created such a lovely and useful piece of software.
