
Rainlendar internet skins can't show , all is X

Posted by wanhua90 - 2009/12/05 05:01

Could you tell me ,please

Skins can't all show

All is X

How should deal with

Thanks http://www.rainlendar.net/cms/images/fbfiles/images/_26410__21629__21517_.JPG

The xml feed seems to be down but you can browse the skins directly at <http://www.customize.org/rainlendar>
