## To Do list options

Posted by rgoshert - 2006/12/13 10:27

---

I know this has probably already been suggested but as a student it is essential that there be an option for showing ALL ToDo items and the ToDo items for a specific number of days (for the whole semester). Without this the ToDo is pretty much worthless. I need to have a place to keep my long-standing goals so that I can be reminded and check them off as they are accomplished. Don't want to be a bother just wanted to let you know. Thanks for the great program Rainy.

You can assign a start and due time to you items. You set the start time to when you want to start working on it and if that be the day you created it then you will see the item until you have removed it.
