
hidden title in schedule (all day) for long events

Posted by Dima - 2011/02/17 07:12

In schedule (all day) for long events i can't see the title of Event.
Have the opportunity to always show the title? even for very long events.
http://www.rainlendar.net/cms/images/fbfiles/images/test_image.jpg

Event # 1 begin 1.2.2011
Event # 2 begin 2.2.2011
Event # 3 begin 13.2.2011
