
creating skins

Posted by glouton - 2007/01/01 23:52

hello,
first i would like to wish Rainy and all forum members a happy new year :laugh:
I would like to know if you could create an additional program to create skin easily for those poor :blink: people like me who don't know programmation or xml ?
thank you
Georges

I have thought about implementing a some kind of skin editor but it's not likely to happen any time soon since it's would require very much work and I'd rather spend that time improving the calendar.
