
Export repeating appointments

Posted by jokr - 2011/09/09 09:45

Export function in the German language has only three characters (instead of 4).
See Appendix http://www.rainlendar.net/cms/images/fbfiles/images/Export_Box_1.jpg

Fine, here's a comparison of the forms (ScreenCopy English / German 1:1).
I made the red lines and the green arrow. <http://www.rainlendar.net/cms/images/fbfiles/images/Vergleichsbild.jpg>
