
Rainlender 2.9 doesn't refresh

Posted by eveningleader - 2012/01/23 10:51

Rainleandar 2.9 (b111) doesn't refresh. When i set an Termin eg. 2 month ago and then refresh, rainlender dont go back to the actually date and month.

Hmm... I don't remember if it ever worked that way. Just hit the home key in your keyboard to go to the current month.
