
Sun Shadow skin updated

Posted by Jorge_Luis - 2012/04/03 10:27

Thanks to Armin Strube, a user of the skin, I now see that I was using local time instead of UTC time. I also found this problem on my skins based of previous works from anoob (this help me to find faster where was the problem).

Version 1.3

Sun Shadow skin (Earth Moving - Shadow Moving)

Sent you a note on Deviant Art regarding this skin. Couldn't figure out how to send a private message on this board.
