
recurrence tab for task not working

Posted by anniew - 2012/04/20 11:54

I am a brand new user, and so far love the application. But when I try to enter a recurrent task, and hit the recurrence tab, all entries there are grayed out. What am I doing wrong?

Welcome to the forum, anniew.

For recurrent task you need first to specify a Due Date. If the task doesn't have a due date then it means that the task never ends.
