
grantt chart for Rainlandar

Posted by andu - 2012/04/23 21:14

Is there any way that there will be grantt chart for rainlandar tasks. It would be so good to get overview whats going on and perfect planner. or sync with Ms project.

That's not really what Rainlendar was created for but if there are enough demand for this kind of feature I can think about it.
