## How to change Font Size ?

Posted by Archange - 2013/05/01 07:37

---

My calendar is the Shadow 4 - Monthly View. I've resized it to 600 x 800 on a resolution of 1920 x 1080. Now, the font is way to small. I want to resize it. How do I do that ?

Thanks for the help.
