
Please add 0 at Month, Day in Manager

Posted by benzie31 - 2007/01/23 02:20

Please add 0 when Month or Day is one digit in Manager.

You can customize the format from Options->Advanced->DateFormat (see the help file for details).

sorry. I forgot to see the help.

However, why does not 0 usually?
I think it is hard to see because it shifts.

thank you for replying.
