
Multiple Calendars in Events

Posted by geoffw_uk - 2013/07/18 16:33

Is there any way of showing entries from two calendars (Outlook & Google) in different colours to distinguish them?

Welcome to the forum, geoffw_uk.

Right click -> options... -> calendars -> (select one calendar) -> change "visual category" to, e.g., "" or the color you want.
