## Events not listed in Events window ???

Posted by necko77 - 2013/12/30 06:53

---

Hi,

As i updated my Rainlander to Ver 2.11 (b123)64Bit build on myr 11 2013 i can't have any events listed in events window...

Can anyone help me

Win 7 64 bit [http://www.rainlendar.net/cms/images/fbfiles/images/event\\_problem.JPG](http://www.rainlendar.net/cms/images/fbfiles/images/event_problem.JPG)

=====

found it...

number of future days (advanced options Events tab)

...
