
Add short keys to Organizer function

Posted by fcortes - 2013/12/31 06:46

I think that add a new hotkeys for "Manager" it's a good idea.
Now is available short keys for backup, tasks, events....

Can you include this fuctionality?

Please find attach an image to see the request

looking forward for your comments,

Kind regards http://www.rainlendar.net/cms/images/fbfiles/images/NEW_HOTKEY.jpg
