
Rainlendar 2.0.2 recurrence bug

Posted by sionghua - 2007/02/18 01:05

I set an event to be on 5-Mar-07 (Monday) and then set the recurrences to 'every 1 week', the event was changed by rainlendar to be on every Sunday starting 11-Mar-07.

It's a known bug. Build 33 already has some fixes for this.
