
Wrong End Dates for Events

Posted by rdang - 2006/11/01 21:17

The manager for the Events list shows the wrong end dates.

I enter...

Start time: 12/4/2006

End time: 12/5/2006

All day event checked

But then the manager shows...

Start time: 12/4/2006

End time: 12/6/2006

And it does that for all the other events that I enter an end date.

Will be fixed in the next build as well as the incorrect date format that is used in the list.
