Editing the \"preview\" days
Posted by fulanito - 2006/11/06 20:40

_____

How do i remove the overlap at the beginning and end of each month, pertaining to the days from the prior and next month?

Thanks

_____

Go to the options -> skins -> advanced. Click on the calendar window on the right (near) the bottom. Then click settings, and set Show adjacent days to 0.
