## Add Years to Birthdays & Anniversaries

Posted by Stormy - 2006/11/06 23:57

---

I have a few birthdays and anniversaries that I don't have the year of the event. Is there a way to turn off the "Add Years to Birthdays & Anniversaries" for ONLY those select events so I don't get an incorrect year count?

You need to put the events to some other category.
