
2.2b50 context menu problem (XP)

Posted by Litschi - 2007/11/14 03:03

First use, the context menu is correct, after that

it shows no text (see screenshot) http://www.rainlendar.net/cms/images/fbfiles/images/rainlendar_20071114_075159.jpg

Yes, that was already reported. It will be fixed in the next build (I hope).
