
Norwegian Help File

Posted by OisteinR - 2007/12/29 22:46

If somebody needs a Norwegian Help File, you can get it here:

<http://www.oisteinr.homeftp.net/Files/Rainlendar2.zip>

Download and rename to Rainlendar2.htb and replace the file in the program folder.

Updated to Ver. 2.3

=====
