
Help with Rainmeter Winamp Song title display

Posted by saber - 2008/06/30 01:13

Hi, i recently installed a rainmeter skin but for some weird reason the title of the song does not display.. can anyone help? heres part of the script thingy for the winamp skin:

EDIT: Just saw the file attach thing... so please help take a look at it thanks.. =)

dunno if its the right part but according to the help thing, this part:

```
Measure=Plugin
Plugin=Plugins\WindowMessagePlugin.dll
WindowClass=Winamp v1.x
Substitute="":", " - Winamp":"
```

should be making the skin display the song title but somehow it doesnt work... can anyone help please? thanks
