Simplified Chinese Updated for Rainlendar v2.3

Posted by xizhiguang - 2008/07/24 21:22

_____

Simplified Chinese language is updated for Rainlendar v2.3, for the missing String: "delete", not translated still in english before.
http://www.rainlendar.net/cms/images/fbfiles/images/language_defect_001_copy.gif

Also note that:
Before my updating to Simplified Chinese language, it displays the state of completion is 100%. so think there goes wrong with the upload checking application,
plz, check it.
