
Data transfer

Posted by cat - 2008/11/11 03:15

Sorry, I'm new here and just realised I posted in the wrong spot before !!Hope I've got it right this time.

I'm having trouble exporting/transferring event data from one pute to another.

Any suggestions ??

Thanks

In Manager select File->Export->iCalendar Format to export and File->Import->iCalendar Format to import.
