
Not allowing ComingEvents no. to change

Posted by Daniel Primed - 2006/11/28 11:21

Hi all,

I've been trying to change the number of days set for the events shown thru the options under EventListShowComingEvent. But everytime I change it it resets it back to 7. Can anyone help?

The setting doesn't work at the moment from the Options dialog. Will be fixed in the next build.
